AN EASTERN SOLOIST.

As the stellar attraction of their mu-
sical festival, to be given May 5, the Mo-
zart Singing Society has secured the
services of Miss Emma S. Howard, of
New Haven, Conn. Miss Howard is a
soprano well known in the eastern cities
and has a voice wonderfully sweet, well
trained and of remarkable range and
power. She has won for herself the
name of being one of the best concert
soloists in the country, and her services
are in demand everywhere. From the
latter fact it was with the utmost diffi-
culty that she was secured for these
concerts, and the society had to select
a date so early in the season. In addi-
tion to Miss Howard, Mrs. Flora Wil-
liams, Mr. Charles Zulauf and others
will take part in the festival. It will
be given at Mozart Park.

LOCAL BREVITIES.

Matters of Minor Moment in and About
the City.

James Frank, the glass manufacturer,
of Wellsburg, was in the city yesterday.
The Ladies of Honor will hold their
regular meeting this afternoon at Mc-
Lain's hall.

The Ladies' Aid Society of the Second
Christian church will give a bazaar and
supper at 59 Zane street Friday after-
noon and evening.

The city gas board is ready to receive
payment of its bills, and the flood did
not interfere with the "digging" of the
meters, as many people supposed.

Black Prince Lodge, Knights of Pytha-
nia, will have four candidates in the
first rank to-morrow evening. The
lodge's team is now putting on the new
work in unexcelled style.

Evangelist Griffith, of Cleveland, Ohio,
will begin a series of gospel meetings
at the Second Christian church, 59 Zane
street, on next Sunday evening. Mr.
Griffith is well known in Wheeling as a
splendid speaker.

The remains of the late George Beau-
mont, who died at Indiana, Pa., will ar-
rive in Wheeling this afternoon at 3
o'clock. Short services will be held in
St. Luke's church, and the interment
will be at Greenwood.

The suction line of the Moundsville
water works is clogged and the com-
pany is unable to get any water into
the water tank. An effort to blow the
mud out of the pipe has failed, and the
line may have to be taken up before it
can be cleaned.

James A. Garfield Circle No. 1, Ladies
of the G. A. R., will hold their regular
meeting on Friday afternoon at 2:30.
A full attendance is requested at Mc-
Lain's hall. Captain William H. H.
Parker Circle No. 4 will hold their regu-
lar meeting this evening.

The ladies of the Cathedral Taberna-
cle Society will have a display of their
work, consisting of vestments and al-
tar linens, in the parlors of the Carroll
Club to-day and to-morrow. They cor-
dially invite all interested in the work
to call and see what they have done.

James Higgins, the boy who was so
seriously burned about the head and
face while at work at the Wheeling cor-
rugating works on last Friday, still lies
at his home in a critical condition. His
friends will earn with pleasure that his
eyesight, which it was at first thought
could not be saved, is now considered by
the attending physician safe.

EPWORTH LEAGUE CONVENTION.

Arrangements for the Big Gathering
Are Being Made Rapidly.

The arrangements for the fourth
general conference district Epworth
League convention in June are going on
rapidly and matters are assuming a
more tangible shape daily. All the ar-
rangements are not nearly completed
but the indications are that the conven-
tion will be a very successful one.

The local committee in charge of
effort to get matters in shape as rap-
idly as possible. At the last meeting
of the general committee reports were
received from the committee on finance
and liberal support is assured from the
leagues of the North Street, Thomson,
Fourth Street, Chapline Street, Wesley,
Stimpson, Benwood and Moundsville
churches. The following were added
to the finance committee as representa-
tives of the Stimpson church: Prof.
J. McH. Jones, Robert Arrington and
Ashby Jeffers. The committee on
grounds desired further time before
reporting finally, as the Eighth ward,
East Wheeling and the Island all offer
suitable ground for the use of the con-
vention.

PERMISSION GRANTED.

Secretary John E. Schellhase yester-
day received a letter from the war de-
partment, empowering the city water
board to construct its addition to the
pumping station, within the harbor lines.
